RADIO AND PRESS RELEASE

The Minister of Finance informs the public that to assist taxpayers in the ongoing digitalisation of tax procedures, the deadline for filing both tax balances for the 2021 fiscal year and voluntary payments for the month of March 2022, initially scheduled for the 15th March 2022, has been postponed to the 25th of March 2022.

Taxpayers are also reminded that the Statistics and Tax Returns (STR) templates, as well as the corresponding user's guide, are available for download on the Directorate General of Taxation's website, www.impots.cm.

Furthermore, training workshops are currently being organised throughout the national territory to provide taxpayers with the needed guidance.

The Minister of Finance counts on the compliance of all.
